

# Winter Box Top Contest

The class that collects the most Box Tops by the end of this nine-week collection period wins a treat for each person in the class! Check the expiration date (anything prior to March 1, 2016 is expired for the next submission) and **tape no more than 25 Box Tops** to this sheet and then send them to school. If you need more space, please place them in a plastic baggie and staple the baggie to this sheet. Make sure to include your child's name as well as teacher's name. If you have any questions, please contact Christina Fournier at [christina@silco.com](mailto:christina@silco.com)

Thank you for your support!
